

The Canadian Cancer
Research Conference

La conférence canadienne
sur la recherche sur le cancer

Saturday, November 2, 2019

12:30 pm Community Event

Sunday, November 3, 2019

7:30 am Breakfast

8:30 am Welcome Remarks

9:30 am **Plenary Session: Novel Cancer Immunotherapies**

11:00 am Break

11:30 pm	Innovations in Cancer Proteomics	Tumour and Immune Microenvironment	Pediatric and AYA Oncology	Stakeholder/Patient Engagement, Patient-Oriented Research	Indigenous Populations and Cancer
----------	----------------------------------	------------------------------------	----------------------------	---	-----------------------------------

1:00 pm Lunch

2:00 pm	Cancer Imaging and Profiling	TBD	Integration of Palliative Care	Prevention	Consortium Based Research
---------	------------------------------	-----	--------------------------------	------------	---------------------------

3:30 pm Poster Session

5:30 pm Welcome Reception

Monday, November 4, 2019

7:30 am Breakfast

8:30 am **Plenary Session: Cancer Genetics and Precision Oncology**

10:00 am Rapid Fire Presentations

10:30 am Break

11:00 am	Immunotherapy: Adoptive Cell Therapy	Cancer Stem Cells and Cellular Plasticity	Rare Cancers	Real World Evidence	Early Detection and Risk Prediction
----------	--------------------------------------	---	--------------	---------------------	-------------------------------------

12:30 pm Lunch

1:30 pm **Plenary Session: CCRA Awards Presentation**

3:00 pm Break

3:30 pm	Microbiome	Lessons from Aging	Poor Survival Cancers	Equity and Equality	Cannabis, Vaping, E-Cigarettes, and Tobacco
---------	------------	--------------------	-----------------------	---------------------	---

5:00 pm Poster Session

Tuesday, November 5, 2019

7:30 am Breakfast

8:30 am	Mechanism of Cancer Resistance	Model Systems	Survivorship	TBD	Occupational and Environmental Exposure
---------	--------------------------------	---------------	--------------	-----	---

10:00 am Break

10:30 pm **Plenary Session: Future of Cancer Research**

12:00 pm Closing Remarks
